

Pep

The Power of P

Distinctive Plant Nutrition

Essential Green Pep is a high efficiency Phosphorous nutritional product. Supplying the energy for early growth, yield, and resistance to stress. Stabilized enriched Potassium and the enhanced Phosphorous efficiency from our patented proprietary polymer C-Plexx makes Pep the most efficient use of the plants energy source.

- Low use rates with the C-Plexx polymer for maximum efficiency
- True Stabilized Potassium for maximum moisture management and nutrient transport.
- C-Plexx complex allows for a true stabilized potassium and enhanced availability of Phosphorous.
- Increased root mass and yield along with a healthier plant resistant to all stress conditions.
- Phosphorous efficiency from the crystal inhibiting polymer technology.

Powered By:

C-PLEXX™ & **BLACK GOLD**™

GUARANTEED ANALYSIS 2-12-4

Nitrogen as (N)	2.0%
Available Phosphate (P ₂ O ₅)..	12.00%
Soluble Potash (K ₂ O).....	4.00%

Application Rates:

Boom spray: apply .5 to 1.5 gallons per acre every 1 to 2 months.
